

DEAR **PARISHIONER/S AND/OR FRIEND/S** OF REGINA CAELI COMMUNITY,

REGINA CAELI IS IN TRANSITION!

We will appreciate your feedback and ideas to help us respond to people in our community in our new circumstances. We are happy to give you extra copies of these sheets with envelopes – to enable other adults and other young people provide feedback and ideas to help us.

Please read on about what is happening at Regina Caeli.

Come 1 September 2022, we will continue to grow as our own community and parish but in a slightly different way. We will not have a resident priest but **Fr Martinho Da Costa O.Carm** from Our Lady of Mt Carmel Parish, Coorparoo, **will be our Administrator**. With Fr Martinho, our intention is to further engage our community in support of one another. **Fr Matthew Tonini O.Carm** also will lead us in our Sacramental Celebrations and will join us in nourishing our community pastorally.

We all know at least a part of the puzzle. To respond to people's needs, interests and ideas, **Fr Martinho and our community want / need to know what we don't know, to complete the puzzle!**

Please read the general, open questions overpage and write your suggestions.

Tell us exactly what you know and think – the true, the obvious, the unobvious and the missing! If there is not enough space on the page, we welcome your extended ideas on extra pages you attach. With your honest feedback, we will work together, to respond to people's needs, interests and ideas.

We are keen to chat with you and discuss with you your responses - if you wish.

Please offer your phone number and/or email address for us to contact you.

Please print...

Please help by responding – simply, as you like and where possible – to these questions to help us plan. Thank you.

1. Please tell us what you have loved about Regina Caeli in the past or what you love about Regina Caeli today.

2. Please tell us ways you think Regina Caeli needs to change and develop.

3. For you today in 2022, what practical help or other support can we as a community, GIVE TO MEMBERS OF OUR COMMUNITY?

4. BEYOND OUR COMMUNITY, there is so much need. Suggest practical ways you think, we as individuals, groups of parishioners or even the parish, as a whole, could help others.

5. Even if you haven't thought it through, please suggest 1 maybe different idea, for the community to consider or brainstorm a few of your ideas!

Thank you sincerely for your contribution.
All feedback will be collated and listed anonymously, in Regina Caeli foyer, for all to peruse.
Please name and date your contribution.
